Dear DHI Supporter,

It's time again for a Southern California Chapter DHI golf outing. Due to the economic stresses of our industry we will only have 1 tournament this year. So don't miss out on this opportunity to play and show your support for the chapter. We would like to invite you to come and play with us, and/or support our local chapter through your financial contribution. In our two tournaments last year we had 116 golfers and would like to thank the following companies for their generous support.

We will be playing a morning shotgun with lunch afterwards just like last year. We had a great response to the start time, and the scramble format, so we are excited to do the same this year.

We appreciate your support and participation. See you June 3rd. Please also remember our chapter website has all the current information at www.dhisocal.org.

Sincerely,

Hank Krueger
