

Southern California Chapter

Door and Hardware Institute

What: FEATURED SPEAKER - We are pleased to have Tim Petersen, LEED AP, Vice President of Sales with VT Industries, Architectural Door Division, as our featured speaker. Tim has over 31 years of experience in the openings industry and is currently serving on the National DHI Board of Governors. Tim is a nationally recognized speaker at DHI and IWF conventions and will share his knowledge of best LEED practices and sustainable choices in wood door construction with us this evening.

When: Wednesday, March 24, 2010

Where: Shilo Inn

Hilltop Restaurant
